

bfl::Logger::enable_log

```
graph LR; A[bfl::Logger::enable_log] --> B[bfl::Logger::log_file_names]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'bfl::Logger::enable_log'. The right box is white and contains the text 'bfl::Logger::log_file_names' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
