

bfl::Gaussian::resize

```
graph LR; A[bfl::Gaussian::resize] --> B[bfl::GaussianMixture::resize]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'bfl::Gaussian::resize'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'bfl::GaussianMixture::resize' on two lines.
